

November 22, 2019

Spectacular ! The Japan Coast Guard demonstrated maritime rescue drill and skills of responding to terror acts to 84 heads of coast guards and related agencies.

The Japan Coast Guard held farewell reception which Prime Minister Abe attended.

~The 2nd Coast Guard Global Summit~

On Wednesday November 20th and Thursday 21st, at Hilton Tokyo Odaiba, the Japan Coast Guard and The Nippon Foundation cohosted the 2nd Coast Guard Global Summit in which the heads of 84 coast guards and related agencies from 75 continents participated.

Summary of the meeting has already been posted on the website of the Japan Coast Guard on November 21st. After the meeting for the 21st, the Japan Coast Guard demonstrated security and rescue drill and held a Farewell Reception at Meiji Kinenkan in the presence of Prime Minister Abe.

Prime Minister, in his address, said he sincerely hoped cooperation among coast guards around the world would be strengthened and would build a new era when seas of the world would be more and more peaceful and abundant.
